1987 ANNUAL INDEX

This index uses the light-face numbers which appear on the inside lower corner of each page. These numbers run sequentially from the January through the December issue. See "Sequential Page Numbers" on facing page.

The letter "d" with a page number indicates a game score which begins from a diagrammed position.

1987 ANNUAL INDEX

This index uses the light-face numbers which appear on the inside lower corner of each page. These numbers run sequentially from the January through the December issue. See "Sequential Page Numbers" on facing page.

The letter "d" with a page number indicates a game score which begins from a diagrammed position.
